1. Don't put Oatmeal on your head  
Don't sleep with a gator in your bed  
Don't sit backwards in a chair with a  
grizzly bear  
Don't put Oatmeal on your head

2. Don't wear a hippo for a hat  
Don't put a saddle on a gnat  
Don't go to outer space with ice cream  
on your face  
Don't put Oatmeal on your head

3. Don't climb a tree and grab plane  
Don't chase a feather in a hurricane  
Don't play with glue while riding a  
kangaroo  
Don't put Oatmeal on your head

1. New shoes run fast jump high  
New shoes run fast jump high  
New shoes run fast jump high  
New shoes run fast jump high

2. Climb a tree, Pedal my bike  
I even sleep with them in my bed all  
night

3. Walk tall, Look cool  
Kids stop and stare in the hall at school

4. Stay away from the mud, Keep them  
out of the street  
I wear them on Sunday when we go to  
meeting

1. I work hard on Monday, I work hard  
on Tuesday,  
I work hard on Wednesday, I work hard  
on Thursday  
I work hard on Friday, "but on Saturday  
and Sunday"

2. On the weekend  
Weekend my best friend  
On the weekend  
Weekend my best friend, Hey!

3. I go to church and I ride my bike  
I play in the yard, no homework tonight  
I play baseball and I roller blade  
I stay up late, I've got it made

4. I go to mall and I go to the lake  
I go to birthday parties, eat lots of cake  
Pizza with my family  
Sleep over with my friends  
I got my allowance  
I've got money to spend

5. I sleep in late and I eat great snacks  
I run around crazy like a maniac  
I play with my pets and I drink sweet  
tea  
I watch cool movies and my DVDs
